- Requirement gathering of the application.
- Major enhancements in the code for the existing application.
- Code reviews to maintain the quality of the code.

ACTIVITIES

LandMark Forum, *Participant*

Apr. 2019 - Apr. 2020

The Landmark Forum is designed to bring about positive, permanent shifts in the quality of Participants life—in just three days. These shifts are the direct cause for a new and unique kind of freedom and power—the freedom to be at ease and the power to be effective in the areas that matter most to them: the quality of their relationships, the confidence with which they live their life, their personal productivity, their experience of the difference they want to make, their enjoyment of life.

VOLUNTEERING

Prathibimba Trust(R), *Volunteer*, Bangalore

Aug. 2017 - Current

Prathibimba Trust (R) is a registered Non-profit, Non-Governmental and Non-Political Organisation. We are a team of young Indians who firmly believe that we must each do what we can to change our world for the better. I have participated in creating awareness about education and importance of technology for students Government schools.
